I understand I cannot conduct any Emergency First Response (EFR) programs until I receive authorization from EFR. I further agree that when conducting EFR programs I will abide by all EFR Standards and Procedures as published and updated by EFR. I will maintain familiarity with EFR educational materials, including revisions to existing materials and the introduction of new materials. I affirm that I have read and will abide with the EFR License Agreement found in the Appendix Section of the EFR Instructor Guide. I understand and agree that any criminal conviction on my part involving abuse of a minor or sexual abuse of an adult, occurring either during or prior to my certification as an EFR Instructor, will be automatic grounds for denial or termination of my credential. I also understand EFR can refuse to accept my application or rescind any EFR instructor credentials I may have if EFR determines my certification is not in the best interests of Emergency First Response. I also understand and acknowledge that specific trademark use guidelines, which may be updated periodically, will be posted on the Pros' Site. I agree to accept the terms of such guidelines and accept that it is my responsibility to stay current with these terms.
